

“BALI STYLE LANTERN” - GPL Outdoor Model

Outdoor Electric Insect Killers

- Australian made superior quality
- Exported throughout the world

- Totally weather proof with powerful light and heavy duty power transformer
- Unlike chemicals, insects can not become resistant to electrocution
- Low running costs
- 3 Year Warranty - longest known Insect killer Warranty in the world (tubes & starters not incl.)
- Compared to many competitors our products have the most effective insect killing rates in the world
- Ideal for all outside areas - entertain in peace without mosquitoes and other annoying insects
- Illuminates paths along walkways
- Our unique ultra violet “Blacklight” tubes are one of the most effective “insect attracting” tubes on the market - many cheaper brands typically use inferior tubes that attract fewer insects
- No cheap inferior plastic parts that break down with ultra violet light or sunlight
- Easily installation
