

## “THE CLOUD” - LP440 Commercial Insect Killer

Commercial Electric Insect Killers

- Australian made superior quality
- Exported throughout the world

- Totally weather proof (water tested IPX4 rated) with powerful light and heavy duty power transformer
- Zinc-plated steel mesh enclosure for protection
- Unlike chemicals, insects can not become resistant to electrocution
- Low running costs
- 3 Year Warranty - longest known Insect killer Warranty in the world (tube & starters not incl.)
- Compared to many competitors our products have the most effective insect killing rates in the world
- Ideal for horticultural applications, parks & large gardens
- Fully compliant with all required Australian and European certified safety standards
- #1 in the market - many cheaper brands typically use inferior tubes that attract fewer insects
- No cheap inferior plastic parts that break down with ultra violet light or sunlight
- Easy installation
