

“NOVASTAR” - DS415 Indoor Electric Insect Killer

Indoor Electric Insect Killers

- Australian made superior quality
- Exported throughout the world

- Solid Zinc-annealed built - We only use the best quality components on
- 3 Year Warranty - Longest known Insect killer Warranty in the world (tubes & starters not incl.)
- Compared to many competitors our products have the most effective insect killing rates in the world
- Commercial unit for super marts, food factories, large kitchens, hotels, restaurants & food halls
- Fully compliant with all required Australian and European certified safety standards
- Our unique ultra violet “Blacklight” tubes are one of the best on the market - Many cheaper brands typically use inferior tubes that attract fewer insects
- Shatterproof globes also available - They give full protection against glass fragments falling into food
- No cheap inferior plastic parts that break down with ultra violet light or sunlight
- Packed in special export cartons with inner plastic
- 3 way mounting positions - Hanging, wall and bench
- Removable insect catching tray for easy cleaning
- Powder coated in white for durability and presentation
