

## “TRI-N-FLY”- Cream, White or Black - Sticky Pad Indoor

Sticky Pad Indoor Insect Killers

- Australian made superior quality
- Exported throughout the world

- NO noise, NO smell, NO debris, NO pollution and NO chemicals
- Highly reflective grid, magnifying UV light for greater insect attraction
- 3 Year Warranty - longest known Insect killer Warranty in the world (tubes & starters not incl.)
- Compared to many competitors our products have the most effective insect killing rates in the world
- Ideal for Public buildings, schools, hospitals, food manufacturing and around home
- Fully compliant with all required Australian and European certified safety standards
- Our unique ultra violet “Blacklight” tubes are one of the market - many cheaper brands typically use inferior tubes that attract fewer insects
- Shatterproof globes also available - they give full protection against glass fragments falling into food
- We don't use inferior plastic parts that break down with ultra violet light or sunlight
- Yellow attractant adhesive degradable sticky pad ( replace approx. every month)
- Kills household flies, stable flies, mosquitoes, winged anthrips, vinegar flies etc
