

## “LUNA LITE” - LL18 Indoor Glue Pad Insect Killer

Indoor Glue Pad Insect Killers

### - Specially designed to give durability - Exported throughout the world

- Made in China – It is well constructed at a value price
- 1 Year Warranty on parts and workmanship
- Steel housing for durability
- Glue board does not contain poison or any harmful substance
- Easy maintenance, glue board has to be replaced only once per month
- Ideal for small restaurants, deli's & domestic living areas
- Fully compliant with all required Australian certified safety standards
- Shatterproof globes also available - they give full protection against glass fragments falling into food
- Noise free— the unit traps pests on glue paper instead of zapping giving a quieter environment for cafes and eateries
- Spare parts available
