

“BOUNTY”- MAR 160 Commercial (Ships) Insect Killer

- Australian made superior quality
- Exported throughout the world

- Totally weather proof (water tested IPX4 rated) with powerful light and heavy duty power transformer
- Zinc-anneal frame 'built to last' construction - we only use the best quality components
- Unlike chemicals, insects can not become resistant to electrocution
- Low running costs
- 3 Year Warranty - longest known Insect killer Warranty in the world (tube & starters not incl.)
- Compared to many competitors our products have the most effective insect killing rates in the world
- Specifically constructed for ships that carry livestock
- Fully compliant with all required Australian and European certified safety standards
- Our unique ultra violet “Blacklight” tubes are one of the most effective “insect attracting” tubes on the market - many cheaper brands typically use inferior tubes that attract fewer insects
- No cheap inferior plastic parts that break down with ultra violet light or sunlight

Genuine Starkeys replacement parts for model BOUNTY MAR 160
